H.E. Ambassador
Masami Kinefuchi

I am pleased that Tokyo Olympic Games are opening today after being postponed for one year, and highly appreciate the tremendous efforts made by all the people. Holding the Olympic Games in the midst of a pandemic is significant, because we are sending a strong message that humans are united to confront every challenge. As the Ambassador of Japan, I am extremely happy that three athletes are representing Timor-Leste in this important world event and would like to pay tribute to the Timorese government's efforts to send the delegation to Japan.

Timor-Leste has created a robust nation in these 20 years from the ashes of conflict. It is indeed a huge achievement and its participation in the Olympic Games adds a special meaning to this Olympics. I wish every success to the representatives of Timor-Leste!

President of the RDTL,
H. E. Mr. Francisco Guterres
'Lu-Olo'

"To our dearest athletes Imelda Felicyta Ximenes Belo, Felisberto de Deus and José João da Silva, I want to congratulate each of you and wish you luck and success in your participation in the Tokyo Olympics... Your participation in the Tokyo Olympic Games is, in itself, a cause of pride and an honour for the country. The President of the Republic sincerely hopes that you demonstrate that a small country such as ours is also able to compete at an international level."

Let's Go, Timor-Leste!

Tokyo Olympic Games is held from July 23rd until August 8th. Timor-Leste competed in Olympic Games in Sydney, Australia in 2000, and Rio de Janeiro in Brazil in 2016. Timor-Leste participates in 3 Tokyo Olympic events and swimming for the first time in its history!
